Notes on this membership roster for Bishop's Council of the Laity received from the Diocese of Buffalo in January, 2019

This list has been redacted to eliminate contact information.

162 households*
287 members*

DATES listed indicate the year the member joined.

The vast majority of households in this list are located in or near the vicinity of the City of Buffalo.

One member is from Allegany County.
One member is from Chautauqua County
NO members from Cattaraugus County

11 households with out-of-state addresses with 14 members.

Out-of-state membership addresses may be due to members being out of town during a significant portion of the year. Presumably, it indicates at least partial residency in the diocese limiting participation. It is noted that with such sparse membership from the Southern Tier, for example, it seems inappropriate to have 14 members with partial (at best) residency in the diocese.

The diocese does not publish this membership list.

* One couple has been removed from this published list as they reported on social media that they quit the BCL after reading my letter to them in January, 2019.

** Serves on Movement to Restore Trust's Organizing Committee
