**Subject:** RE: Movement to Restore Trust Update

Dear Ms. Kane,

You have previously advised us of this incident and it was duly reported to the Diocese. I've forwarded this along to the Diocese as well. The MRT is an all volunteer group of laity and clergy dedicated to restoring trust. Since you and others with a claim have other independent trained and experienced options we decline to enter into an area of Church, Civil and Criminal law in which we have neither authority or competence. We encourage you to choose a proper vehicle for the pursuit of your cause.
